A COMMON FAMILY TRIGGERING UNCOMMON SITUATIONS!

The Trap is a weekly hidden camera show with a humorous twist where four actors pose as a regular family and prank visitors to their home.

A fifth actor, playing a neighbor or friend, helps set up the tricks. The victims, ranging from plumbers to appliance repairmen, are unaware that they are part of a well-orchestrated joke.

The actors, who also serve as the show's hosts, comment on the action from their secret base in the garage while monitoring the pranks on screens.
